

Clipper START CDT Integration

Application Automation for
CalFresh Recipients

California Department of
Technology

Integration with the California Dept of Tech (CDT)

By partnering with CDT, Clipper START is providing CalFresh participants with a new way to apply that will have them approved for the program in minutes.

- CDT enables MTC to:
 - Confirm customers' income eligibility & identity
 - Automates the verification process
 - Limits MTC's PII liability
- It supports our goals by:
 - Allowing customers to apply & be approved in one sitting
 - Enabling better outreach to CalFresh participants

Verification Method
